APPLE
VACATIONS.

BRINGING PEOPLE TOGETHER, ONE TRIP AT A TIME.

At Apple Vacations, we believe travel isn't about going somewhere—it's about connection.

It's sharing a smile with your partner as you dine under the stars. It's laughing with your family while building a sandcastle on the beach. It's uncovering a new side of yourself as you try something you've never done in a place you've always wanted to be.

Every journey with Apple Vacations is a chance to rediscover joy, whether it's a family vacation, romantic escape, or a long-overdue getaway with your best friends. That's the magic of an Apple vacation.

From all-inclusive resorts to city retreats—all featured within the pages of these Travelogues—we'll guide you to the perfect destination, taking care of everything along the way so you can focus on living the experiences you've been dreaming about.

No matter where life takes you, the memories you make together are timeless—and we're proud to be part of them.

There's no better way to book a vacation than through a [travel advisor](#). Your advisor can help you navigate all the choices, from your flights and hotel to the tours and experiences that make your travels uniquely your own.

Travel advisors have a wealth of expertise to draw upon and can craft a trip specifically designed to meet your preferences and budget. They can help you find the best deals, enjoy special perks, and take care of the plethora of details that go into successful vacation planning ... so all you have to do is enjoy the moments to come.

VACATION AS YOU LIKE IT

Service at RIU Hotels & Resorts isn't just a focus. It's a passion, and has been since the opening of their very first hotel in Mallorca, Spain in 1953. For more than 70 years, they've brought their experience in pampering guests to the world's most incredible destinations, expanding upon the meaning of "all-inclusive" with the introduction of more inclusions, more entertainment, and more of their signature hospitality that lets you vacation the way you want to.

Now found in 20 countries, RIU truly does have a (picture-) perfect paradise for everyone, thanks to the 100 hotels in their portfolio.

FAMILIES

Privacy, comfort, and convenience come together in their guaranteed two-bedroom categories (connected via either an interior door or private hallway) that can accommodate up to eight. Keep the kids close while enjoying your own space ... or let loose altogether at Splash Water World, RIU's aquatic entertainment "funplex." Available at select hotels, its high-speed slides and low-key tube rides are free for all guests.

COUPLES AND FRIENDS

A getaway that feels like one big party? Easy, what with DJ-led RIU Family Parties (think themes like jungle and neon) and adults-only RIU Pool Parties several days a week, on top of the standard daily entertainment and nighttime shows. But if you really want to make a Splash, opt for an adults-only hotel with access to Splash Water World—not just for kids!

MULTIGENERATIONAL

Resort complexes featuring adults-only and family-friendly hotels are an obvious choice for larger gatherings ... but picking one property can also be a win. The RiuLand kids club keeps younger guests busy, while adults can unwind at a swim-up bar. For the most fun, though, check your hotel's RIU Family Party schedule in advance, and book around this once-a-week fête for all ages.

WELCOME TO THE CARIBBEAN

Blazing sunsets over Technicolor seas, teeming with nearly 700 species of fish flitting among 70 types of vivid coral. Trade winds that skim mountain peaks, breathing softly into lush rainforests. Palms rising out of sparkling white beaches. Ethereal cloud forests that float high above mangrove swamps, cactus scrublands, and vast savannahs.

These are the images travelers to the Caribbean's over 700 islets, reefs, cays, and more than 30 islands carry with them. However, the beauty of these paradisiacal destinations goes beyond stunning aesthetic; gorgeous landscapes and year-round sunshine are only the beginning of this region's allure. To get a true picture of the Caribbean, look past what you see and tap into how you feel.

Close your eyes and focus on the sound of steel drums and pounding feet as pulsing reggae, calypso, and other island rhythms echo through the night. Savor what cuisine spooned from a melting pot tastes like—a blend of African, Spanish, Asian, East Indian and European flavors creating a profile all its own. Let the joy and vibrancy of incredible festivals infuse your soul. Escape to a time and place a world away, with elegant hospitality on romantic estates, or resorts that provide modern luxury at its finest.

Together, these are the true lasting impressions of the Caribbean—the beautiful, unforgettable moments embedded in your mind and heart forever; an indelible mark from the sweetest of escapes.

ARUBA

One Happy Island

Relaxation may be the prevalent theme at most Caribbean islands, but in Aruba, the focus of every day is to find the joy in each moment. Even the sun shines with a smile on “One Happy Island,” where light trade winds make 82 degrees the temperature of perfection.

For perfection it is, for every travel style, from family—and sea turtle!—favorite Eagle Beach to glamorous Palm Beach. Deserts populated by cacti, curious iguanas, and ancient boulders call to the explorer within, and the craggy limestone cliffs, towering sand dunes, and crashing breakers to the north inspire awe and a sense of freedom. In the capital city of Oranjestad, refined Dutch colonial architecture steals the spotlight just minutes from the island's fofoti trees and inquisitive marine life. Located in the heart of the Southern Caribbean, its world-famous festivals, international cuisine, and shopping are legendary.

THE BAHAMAS

It's Better in The Bahamas

Only 50 short miles off the coast of Florida, over 700 islands and more cays splay across miles of clear turquoise waters. Some call it paradise, but we know it as The Bahamas. With flamingos in the skies and pods of dolphins in the seas, it only takes a second to relax into the charm of its narrow streets, picket fences, and colorful clapboard houses.

The only thing outnumbering these islands are the reasons travelers love them. Nassau is a cruise ship darling, its two-mile Cable Beach drawing crowds; its international airport is always bustling with visitors headed to nearby Paradise Island and the planet's largest open-air marine habitat. Freeport, Grand Bahama Island, home of the Lucayan National Park and its six-mile-long mapped underwater cave system, is also where the ambiance of a country club merges seamlessly into eco-adventures for all. Of course, the Out Islands offer a more secluded, sheltered experience for vacationers who want to kick back and reset their clocks to island time.

On all the islands, you'll find dockside restaurants serving delectable conch dishes, spectacular diving—including plunges to amazing blue holes—and snorkeling, incredible boating and more ... all just steps away from boundless beaches.

DOMINICAN REPUBLIC

Has It All

The island nation of Dominican Republic has become a premier vacation spot for Americans, with the Caribbean's most renowned golf courses; full-service marinas; and, of course, resorts that leave you wanting for nothing. Punta Cana's miles of palm-lined, white-sand beaches and affordable all-inclusives have plenty of loyal devotees, and the luxurious golf and marina community of nearby Cap Cana is hot on its heels. La Romana's quaint Altos de Chavón enclave is an exceptional work of livable art, with shops, a gallery, restaurants, amphitheater, and more perched high above golf courses, polo fields, and a marina. In the capital city of Santo Domingo, modern hotels sit on the same cobblestoned streets conquistador Juan Ponce de León once strode upon. In contrast, head to the northern coastline, where Puerto Plata beckons sun-worshippers to its amber shores and natural harbor; and to the bay and scenic port town of Samana, the destination of choice for thousands of humpback whales each winter.

JAMAICA

Heartbeat of the World

Immortalized in song, legend, and the memories of the millions of visitors that are drawn to this diverse destination every year, this island means something different for everyone. For some, it's the feeling of getting lost in hypnotizing reggae beats while barefoot in the sand. For others, it's coming alive to sensory overload with the taste of jerk seasoning on your tongue, and adrenaline in your veins as you conquer the rainforest. For the rest, it's that sensation of tangible decompression, with ten golf courses and a long list of spectacular resorts designed to pamper.

Experience every part of the vacation spectrum on Jamaica's 146-mile long borders. Montego Bay offers easy accessibility with its airport, and boasts amazing beaches, four championship golf courses, and a "hip strip" of shops and restaurants. On the island's western tip, laid-back Negril's Seven Mile Beach and grotto-lined cliffs call out to water lovers. East of MoBay, you'll find more great resorts and beaches in Falmouth, Braco, Runaway Bay, and Ocho Rios with its famous Dunn's River Falls.

WELCOME TO CENTRAL AMERICA

Connected geographically to North America and culturally to Mexico and South America, this isthmus of seven beautiful countries is a literal bridge between the two. In this subcontinent that floats between worlds, everything here is, in a word, diverse: the rainforested volcanic landscape; the mestizo heritage of European and Native American roots; the variety of foods that springs from fertile ground.

Don't just sample but savor chocolate where it was first cultivated by the ancient Mayans. Put on your most adventurous sandals and see if you can identify even close to the 8,000 different plant species in this region's forests. Turn your face skyward to taste clean water as it permeates the dense canopy of the tropical rainforest. Or, head for the surf and sand. It's not hard in Central America, where not a single destination is farther than 125 miles from the ocean, and the waves are renowned for being as spectacular as the cloud forests.

With so many fresh destinations to be discovered in Central America, who's to say what your lasting impression will be?

Welcome to COSTA RICA

An eden of almost limitless possibilities, Costa Rica is made for exploring. Exhilaration is never far in this hotbed for ecotourism, where man's footprint is still small and adventure can be as big as the majestic volcanoes of Arenal Volcano National Park. Let your senses run wild as you hike, mountain bike, horseback ride, rappel, zipline, kayak, raft, snorkel, dive, paddleboard, surf, or ATV your way through thousands of acres of untamed greenery and expansive black and white shores.

Only three hours separate the Caribbean Coast from the Pacific, but boundless wonders lie between. See just how grand nature can be in places like the Monteverde Cloud Forest Reserve, where the mist shelters 2.5% of the entire planet's biodiversity, and the renowned beaches of Manuel Antonio. For a change of pace, take in the historic sites of the country's capital city, San José, set in Costa Rica's Central Valley. Or, get a taste of coastal Tico culture in Liberia, a fishing town close to the Gulf of Papagayo and a favorite among visitors. Sharing the nearby airport is "The White City's" sister destination, Guanacaste, where upscale resorts rest under nearly year-round sunny skies and the shadow of big waves begging to be ridden.

No matter how you explore Costa Rica, one thing is certain: the thrill of discovery will last far beyond the rush of adrenaline.

WELCOME TO MEXICO

Awe-inspiring resorts, set on powdery sands on sprawling coastlines. Darling coastal villages, where *fútbol* is played by youngsters on the same streets the greatest European conquistadors and Aztec, Incan, and Mayan warriors once strode; where old traditions live on, tortillas are still handmade, chocolate is served spiced, and Mayan and Nahuatl languages flow like the rivers that run through the country's jungle.

These are only some of the lasting impressions made by the United Mexican States, the tenth most populated country in the world. Featuring a landscape that offers sugar-white beaches, cinnamon deserts, and cities both forgotten and remembered in between, it's no wonder that so many Americans come here each year in search of paradise.

They head south to feel the kiss of the sun on their skin and the whisper of clear water at their feet. The rush of warm air as they zip through lush rainforests, countered by the crisp coolness of a refreshing cenote. The taste of pestle-ground guacamole, filling tamales, savory barbacoa, or heavenly carnitas, spiced with fresh chiles and tempered with a cornucopia of tropical fruit and mild cheeses.

From the Sea of Cortez to the Yucatan Peninsula, and the Gulf of Mexico to the Pacific Ocean, the magic of Mexico awaits, each destination eager to make its own lasting impression.

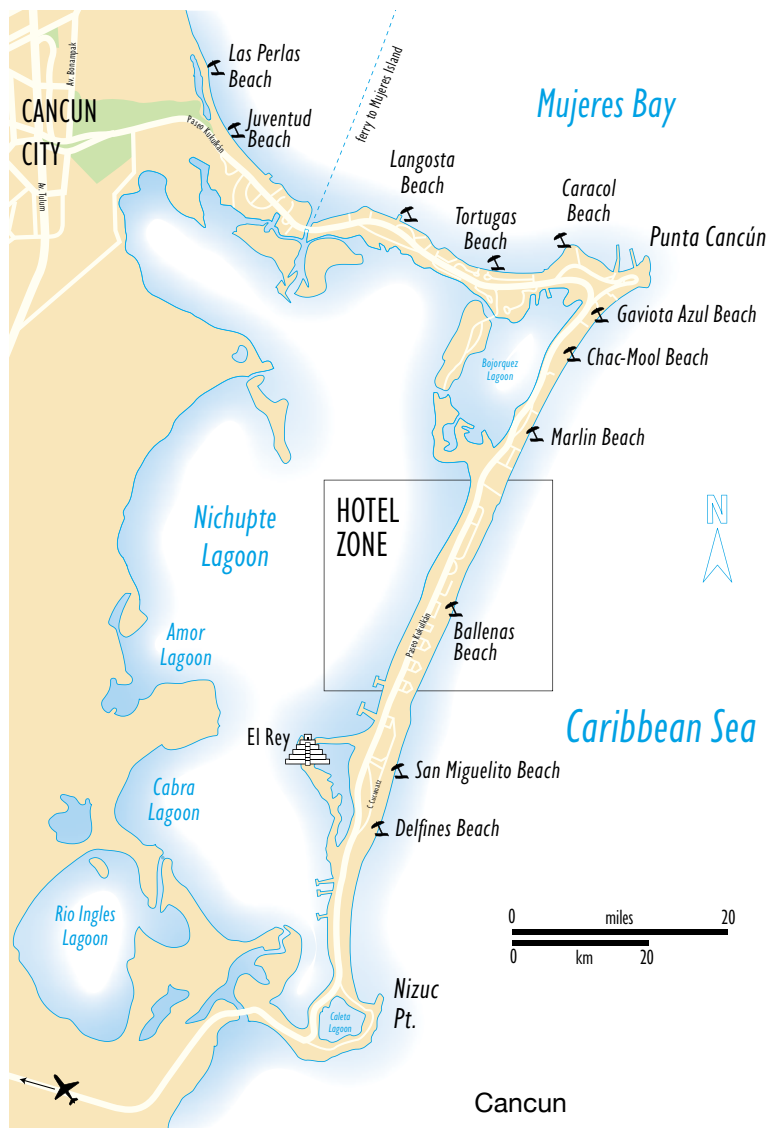

CANCUN

A Place Like No Other

One of Mexico's most beloved beach destinations, developed exclusively with tourism in mind, the tip of the Yucatan Peninsula is perhaps the best example of a crowd-pleasing destination on this side of the Americas. The sun worshipper and water lover; historian and adventurer; spa hopper and wildlife explorer; gourmand and gourmet; families with children in tow, empty nesters, and couples in every stage of love ... there truly is something for everyone in this slice of paradise along the Caribbean Sea.

At the heart of the action lies Cancun, a seven-shaped strip of stunning resorts set on 14 miles of bright white, crushed coral beaches, and host to millions of visitors each year. Divided into the popular and lively Hotel Zone, Downtown Cancun, and the Ecological Reserve, golf, snorkeling, scuba diving, wind surfing, water skiing, sailing, deep sea fishing, and jungle tour opportunities all tempt loungers to leave the sugary sand, no matter in which region they set up their chairs.

COSTA MUJERES/ ISLA MUJERES/ PLAYA MUJERES/ Mexico's Newest Paradise

If action is what you're seeking an escape from, the "Island of Women," or Isla Mujeres, is romance at its best. Once known as a sanctuary of the Mayan goddess of love and fertility, Ixchel, here lies unspoiled beaches, quietly luxurious resorts, and lovely restaurants and bars in Playa Norte, accessible by golf carts, mopeds, and bicycles. Even gentle whale sharks retreat to these calm waters during summer, joining the many visitors who take equal advantage of the deep sea fishing available here. Nearby, the tiny, motor-free Isla Holbox also provides tourists with an opportunity to swim with the world's largest shark, or mingle with flamingos—over 40,000 gather between spring and fall—while Isla Contoy, inhabited only by wildlife and welcoming a mere 200 tourists per day by law, lets visitors see nature the way nature intended.

RIVIERA MAYA

Gateway to the Mayan World

To discover all of the Mexican jungle's ancient secrets, go to the Riviera Maya. Known for its 70-mile stretch of postcard-perfect waterfront, this region is also the site of the ruins of Tulum and its eponymous beach. Equally famous for its cenotes—stunning underground sinkholes filled with crystalline water—as it is for its shoreline, rest and adventure go hand in hand here.

A stone's throw away from the peaceful resorts that line the Riviera Maya's shores is the renowned touristic area of Cancun; the colorful villages of Playacar; and, of course, lively Playa del Carmen, where the nightlife keeps visitors on their feet.

Nature-lovers will quickly find what they seek, as well. Xcaret, the massive eco-archeological theme park, is based here and, just south, you'll find the 1.3 million-acre Sian Ka'an Biosphere Reserve, a UNESCO World Heritage Site with 23 archeological sites. Not to be forgotten are the famous coral reefs of Cozumel and the Puerto Aventuras marina, popular with fishermen and yachters alike.

LOS CABOS

At Land's End

The sapphire Sea of Cortez meets the Pacific at El Arco, arguably the most photographed landmark of Baja California Sur. Originally inhabited by the Pericu Indians, this mountainous desert peninsula is broken up into three districts: Cabo San Lucas, The Corridor, and San Jose del Cabo, each enjoying 350 long days of warm sun per year.

Cabo San Lucas, the “Striped Marlin Capital of the World” and host to the biggest-stakes fishing tournament on the planet, is a fisherman’s paradise by day and a reveler’s dream by night. Trendy restaurants and bars, a lovely marina, and the Luxury Avenue Mall lure travelers the way anglers draw in their catches. The fun continues at Medano Beach, where The Corridor begins. Twenty miles of upscale resorts, impressive spas, championship golf courses, and beaches lead to San Jose del Cabo, a sleepy town of cobblestone alleys and colonial architecture, small art galleries and boutiques, and other old world charms. From here, head northeast to nearby Puerto Los Cabos, a luxurious gateway to the East Cape coastline.

MAZATLAN

Charming City on the Beach

Attractions stretch as far as the eye can see in Mazatlan, its long Golden Zone lining the twelve-mile Malecón, one of the longest boardwalks on the Pacific Coast. Vacationers are drawn to the popular beaches of Playa Sabalo and Las Gaviotas; one of the largest aquariums in Latin America; and three championship golf courses, as well as swordfish, tuna, and marlin fishing.

“The Pearl of the Pacific,” this gem is more than a tourist area for beach lovers. Old Mazatlan’s charming “tropical neoclassical” restored mansions enchant beside markets, shady plazas, and cafés, and its cultural diversity is best heard rather than seen. Banda, a musical fusion of Latin/German-polka styles, is unique to Mazatlán, and Mazatlecos dance without restraint during their famous Carnaval.

To add to this city’s appeal are the nearby islands of La Piedra and Chivos, favorite boating destinations; the three main islands of Deer, Bird, and Sea Lions Islands; El Faro, once the tallest natural lighthouse in the world; and the “Devil’s Cave,” a historical pirate hideout. With these feasts for the senses and more, Mazatlan has become a perennial favorite.

RIVIERA NAYARIT

Stunning Treasure of the Mexican Pacific

On the northern part of the Bay of Banderas and minutes from the Puerto Vallarta airport, Riviera Nayarit beckons travelers to its charming seaside villages and endless stretches of beach along the coastlines of Nuevo Nayarit, Flamingos, Bucerias, and Punta de Mita. Bird-watchers will find marshlands and lagoons as much a sanctuary as the herons, pelicans, and exotic feathered friends who call this Pacific wonderland home. Golfers flock here in spades, too, pairing championship play with views just as renowned. Surfing, snorkeling, and kayaking send enthusiasts into turquoise waters, tinted gold every evening by some of the most spectacular sunsets in the world. Back on land, fresh, vivid flavors put local gastronomy on the culinary map, while colorful handicrafts by the indigenous Huichol make memories of your time in paradise just as vibrant.
